HYGGE Sofa

HYGGE is in the Danish DNA, a word for a quality of coziness. This piece embodies that: feeling warm, comfortable, and safe. Clean and crisp lines shape this sofa and it's versatility is shown by the multifunctional pillows, and the side table that can be transformed into a bed with an extra pillow. The wood contrasts give it a dynamic twist and enhance the shapes.

This sofa is made of sustainable birch plywood using CNC cut with innovating waste efficiency technology. We are using the highest quality woods with natural non-toxic glues and premium eco-friendly fabrics. This piece is assembled and finished by professional craftsmen.

It comes with two pillows and one or two different color tones of fabric. The back pillow is movable.

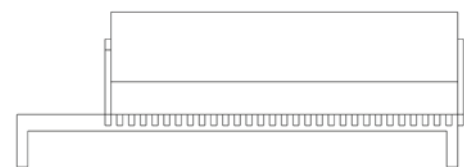

Extras: Pillow for side table to transform the Hygge Sofa into a bed; Ottoman for an extension of the sofa.
