LAENGSEL Chair

Længsel means "Saudade" in Portuguese. It's a very warm and strong word that literally means the feeling of missing or desiring someone, something or somewhere.

The unique arms of the chair embrace the whole piece in the form of a hug, like hugging someone you miss very much. It's minimalistic crisp lines and functional form are inspired in the new nordic design.

This chair is made of sustainable birch plywood using CNC cut with innovating waste efficiency technology. We are using the highest quality woods with natural non-toxic glues and premium eco-friendly fabrics. This piece is assembled and finished by professional craftsmen.

It comes with 2 pillows with two different tones of fabric.
